

NORTH BRANCH NATURE CENTER

REQUEST FOR DONATION OF SILENT AUCTION/RAFFLE ITEMS

The North Branch Nature Center of Montpelier is currently seeking donations of silent auction/raffle items to raise money for a teen natural history and service trip to Nicaragua in April, 2010. All the proceeds of the auction will benefit the teens who will be participating in the trip to Nicaragua. The trip will give Vermont teens the opportunity to experience a new culture, learn about tropical wildlife and conservation issues first-hand, and participate in community service projects in one of the poorest countries in Central America.

We need your help to make this trip a reality. We are seeking donations of items for a benefit dinner on March 13. Any items donated are considered a tax-deductible contribution to NBNC, which is a nonprofit, 501(c) 3 organization. The organizations EIN (tax-exempt) number is 76-0830759.

Description of item: _____

Retail value: _____ Suggested Minimum Bid: _____
